

WELCOME TO ELEVENS BAR & GRILL

It's been a dream of mine to open a sports bar in my home town of Cardiff.

A place that offers great food and drink, a relaxed and friendly atmosphere, and the ultimate sports viewing experience.

Together with Brains we have created something very special and unique; a premium sports bar and grill in the heart of the capital.

So, I invite you to sit back and enjoy your time at Elevens.

S.A.Brain & Co and Gareth Bale are proud to support two life-changing charities within Wales.

Welsh Hearts are the leading heart charity in Wales, placing defibrillators at the heart of our communities, delivering CPR training and vital heart screening. By supporting Welsh Hearts, our aim is to place a life-saving defibrillator in every Brains managed house in Wales.

Velindre is Wales' premier cancer centre, providing vital care, support and treatment to cancer patients and their families for over 60 years.

Velindre is the major provider of radiotherapy and other specialised anti-cancer treatments in Wales.

In support of these two charities, we will be making a 10p donation from every 'Elevens pizza', 'Elevens burger' and 'Elevens sundae' purchased.

All donations raised will be put towards supporting the life-changing work that both Welsh Hearts and Velindre provides in Wales.
